

INTERNATIONAL TRADE Products Development Proposal

www.pesewaone.com | BUILDING AFRICA'S ECONOMY

Pesewa ONE is a leading business incubator for Africa's businesses. The Pesewa franchise program launched in 2022 also makes Pesewa ONE a Gateway to Africa for global businesses seeking to reach the vast African market. As of September, 30, 2023, we had 103 incubatees under various sector industries; 6,235 businesses mapped out in 3 African countries (i.e. Ghana, Nigeria and Benin) and 9 Franchises.

Our mission is to Build Africa's Businesses through Entrepreneurship, People, Partnerships, Platforms & Investments.

Pesewa ONE's Franchise Program provides business services to large and medium scale businesses, young startups, small businesses and informal sector businesses. Our services include incubation, marketplaces, aggregation, funding, facilitation, management, sales, jobs and technology platform solutions. The goal of Pesewa ONE is to be present in 10 African countries through 200 Franchisees; providing our services to 1 million African businesses by 2027.

INTRODUCTION

The world of international trade is a dynamic and vital component of the global economy, providing businesses with access to markets, products, and opportunities worldwide. In this ever-evolving landscape, characterized by fluctuating international regulations, emerging technologies, and the increasing demand for efficient, secure, and profitable trade solutions, the ability to adapt, innovate, and provide differentiated services is paramount. Our proposal introduces a strategic product offering designed to address the unique challenges faced by your company.

Our proposed products are grounded in several pivotal objectives:

Innovative International Trade Solutions: We have developed a suite of innovative products and services that empower your international trade operations to excel in facilitating global business transactions, optimizing logistics, and expanding your international trade portfolio. These solutions will encompass cutting-edge technology, trade finance platforms, customs and compliance management tools, international market analytics, and data-driven insights to enhance the quality and efficiency of international trade operations.

Client-Centric Approach: Our product offerings are designed with your clients in mind. We create solutions that cater to the specific needs, preferences, and objectives of businesses and organizations engaged in international trade, aligning your services with their unique international trade requirements and goals.

Operational Efficiency: Our products aim to streamline international trade and supply chain operations, reducing costs, mitigating risks, improving communication, and enhancing the overall efficiency of international trade processes, allowing you to operate seamlessly and deliver timely, cost-effective trade solutions.

Data Analytics and Reporting: Recognizing the importance of data-driven insights in international trade, our products prioritize advanced data analytics and reporting features, enabling organizations to track global market trends, assess supply chain dynamics, and make informed international trade decisions.

Customization and Branding: We offer options for customization and branding of the international trade tools to meet the specific needs, vision, and branding of your company.

This proposal presents an exceptional opportunity for your company to solidify its position as a leader in international trade, devoted to innovation, operational excellence, and client satisfaction. We eagerly anticipate the potential to engage in discussions, address any inquiries

you may have, and explore how our partnership can elevate your international trade offerings to new heights of success.

Pesewa ONE offers other key general services including:

- *Incubation.* We offer incubation services to nurture and foster the growth of early-stage startups. This involves providing trademark & licensing services, mentorship, access to resources, and guidance on various aspects of business development. Incubation helps our startups refine their business ideas, develop their products or services, and build a strong foundation for growth & sales.
- *Marketplaces.* We operate various marketplace platforms that serve for businesses to market and sell their products or services. These marketplaces are both online and physical, depending on the specific needs of the businesses involved. We provide these service to, through and on behalf of our businesses for a variety of goods and services.
- *Aggregation.* Aggregation services involve bringing together various businesses or products under a single umbrella. Pesewa ONE aggregates goods or services from multiple providers to create economies of scale, negotiate better deals with suppliers, and offer customers a wider range of choices.
- *Funding.* Access to capital is crucial for business growth. We facilitate funding opportunities for startups and businesses by connecting them with investors, venture capitalists, or providing access to financing options such as loans or grants. This service helps businesses secure the necessary capital to expand their operations.
- *Facilitation.* Facilitation services involve streamlining processes and procedures to make it easier for businesses to operate efficiently. We offer training and support in areas such as compliance, regulatory affairs, and supply chain management to help businesses navigate complex operational challenges.
- *Management.* Effective business management is essential for sustainable growth. Pesewa ONE provides management consulting services to help businesses optimize their operations, streamline workflows, and implement best practices. This service helps businesses achieve operational excellence.
- *Sales.* Sales services offered by Pesewa ONE includes sales training, lead generation, and marketing support. Helping businesses improve their sales strategies and execution can lead to increased revenue and market share
- *Jobs.* We also play a role in job creation by facilitating employment opportunities through the businesses we support. This includes connecting job seekers with businesses in need of skilled employees or assisting businesses in their hiring processes.
- *Technological Solutions.* In today's digital age, technology plays a crucial role in business success. Pesewa ONE offers technology platform solutions, including software development, IT infrastructure support, and digital marketing services. These solutions help businesses leverage technology to enhance their competitiveness and efficiency.

Overall, Pesewa ONE offers a comprehensive suite of services designed to support businesses at various stages of their development, from startup incubation to ongoing operational support, with a focus on facilitating growth, fostering innovation, and creating economic and commercial opportunities.
