

TRAMS & LIGHT RAIL

Products Development Proposal

Pesewa ONE is a leading business incubator for Africa's businesses. The Pesewa franchise program launched in 2022 also makes Pesewa ONE a Gateway to Africa for global businesses seeking to reach the vast African market. As of September, 30, 2023, we had 103 incubatees under various sector industries; 6,235 businesses mapped out in 3 African countries (i.e. Ghana, Nigeria and Benin) and 9 Franchises.

Our mission is to Build Africa's Businesses through Entrepreneurship, People, Partnerships, Platforms & Investments.

Pesewa ONE's Franchise Program provides business services to large and medium scale businesses, young startups, small businesses and informal sector businesses. Our services include incubation, marketplaces, aggregation, funding, facilitation, management, sales, jobs and technology platform solutions. The goal of Pesewa ONE is to be present in 10 African countries through 200 Franchisees; providing our services to 1 million African businesses by 2027.

INTRODUCTION

Trams and light rail systems have emerged as essential components of urban transportation, providing efficient, eco-friendly, and cost-effective transit solutions for cities around the world. In this dynamic landscape, marked by evolving urbanization, environmental awareness, and the need for innovative and sustainable mobility options, the ability to adapt, innovate, and provide differentiated products is paramount. Our proposal introduces a strategic product offering designed to address the unique challenges faced by your company.

Our proposed products are grounded in several pivotal objectives:

Innovative Trams and Light Rail Solutions: We have developed a suite of advanced products and services that empower your trams and light rail operations to excel in delivering high-quality transportation services, innovative passenger experiences, advanced transit technology, and integrated public transportation platforms to enhance the quality and efficiency of transit operations.

Passenger-Centric Approach: Our product offerings are designed with the passenger in mind. We create solutions that cater to the specific needs, preferences, and transit experiences of your riders, aligning your services with their unique public transportation requirements and urban mobility goals.

Operational Excellence: Our products aim to streamline transportation operations, reduce energy consumption, enhance passenger safety, and improve the overall efficiency of trams and light rail services, allowing you to operate seamlessly and deliver timely, cost-effective transit solutions.

Cutting-Edge Technology Integration: Recognizing the importance of staying at the forefront of transit technology, our products prioritize the incorporation of the latest advancements, including eco-friendly propulsion technologies, smart transit solutions, digital ticketing innovations, and real-time passenger information systems, ensuring that your trams and light rail services remain innovative and competitive.

Customization and Branding: We offer options for customization and branding of the trams and light rail tools to meet the specific needs, vision, and branding of your company.

This proposal presents an exceptional opportunity for your company to solidify its position as a leader in the trams and light rail industry, devoted to innovation, operational excellence, and sustainable transit solutions. We eagerly anticipate the potential to engage in discussions, address any inquiries you may have, and explore how our partnership can elevate your public transportation offerings to new heights of success.

Thank you for considering our proposal. We look forward to the potential collaboration with you in crafting a product line that sets new standards in trams and light rail solutions, innovation, efficiency, and transit experiences.
